

Instructional Technology Course List

Course #	Course Title	# of Credit Hours
IT 2010	Computer Skills for the Information Age	3
IT 2210	Integrating Technology into the Elementary Classroom	3
IT 3210	Teaching, Learning, and Technology Integration	3
IT 3100	Educational Technology in Africa and the Diaspora	3
IT 7100	Design of Performance and Instructional Systems	3
IT 7150	Analysis of Performance and Instructional Systems	3
IT 7360	Integrating Technology into School-based Learning Environments	3
IT 8000	Foundations of Instructional Technology	3
IT 8050	Evaluation and Assessment of Online Learning	3
IT 8090	Internet for Educators	3
IT 8150	Managing Instructional Technology Projects	3
IT 8200	Diffusion and Adoption of Technological Innovation	3
IT 8360	Design and Development of Multimedia for Education and Training	3
IT 8390	Analysis of Education, Training, and Performance Support Centers	3
IT 8400	Advanced Authoring Technology	3
IT 8420	Topics in Instructional Technology	3
IT 8430	Technology-Enabled Education and Training	3
IT 8440	eLearning Environments	3
IT 8500	Advanced Instructional Design	3
IT 8550	Human Performance Technology	3
IT 8660	Internship in Instructional Technology	3
IT 8950	Evaluation of Instructional Technology	3
EDCI 9850	Research Seminar	3
EDCI 9900	Critique of Educational Research	3
EDCI 9990	Dissertation	3-9
